NOTES

“Providing Solutions to OEM and Distribution since 1977”

For three generations and over 35 years Index Fasteners, Inc. has been a master authorized stocking distributor for high quality fasteners manufactured by leading industry stalwarts. Index Fasteners, Inc. serves a myriad of industries, some of which are Aerospace, Automotive, Construction, Electronics, Marine, Military, Medical, Renewable Energy and Textile. We have striven to establish and maintain a quality reputation which is earned through providing an excellent and dependable service. Index Fasteners, Inc. aims to provide all of its customers with service and products which are to their complete satisfaction.

In support of our chosen field, Index Fasteners, Inc. is a Member of the Industrial Fabrics Association International (IFAI), Western Association of Fastener Distributors (WAFD), National Association of Wholesale Distributors (NAW) and Specialty Tool & Fastener Distributor Association (STAFDA) and operates to these organizations' codes of practice. An essential requirement of the continuing maintenance and development of the Corporation's quality objectives is the implementation and maintenance of a Quality System registered to ISO 9001:2008.
